# 2018 RAMACIOTTI HEALTH INVESTMENT GRANT RECIPIENTS

Ramaciotti Health Investment Grants of up to \$150,000 have been awarded to six recipients undertaking biomedical research. The grants are awarded to autonomous early career scientists to support health or medical research with a potential path to clinical application within five years. As trustee of the Ramaciotti Foundations, Perpetual is pleased to congratulate all six recipients.

## HEALTH INVESTMENT GRANTS

RECIPIENT	DEPARTMENT	INSTITUTION	PROJECT
